KN-95 MASKS

Offering two separate types of KN-95 masks, we have tailored our selections to fit your budget and PPE needs. These **FDA and CE certified masks** are sourced through trusted manufacturers that we vet and verify ourselves.

REUSABLE MASKS

Ready to show off your company's pride? Made with 2 thick layers of washable material, these **customizable masks** serve as a soft and stylish alternative to your PPE needs.

Nitrile gloves and hand sanitizer are also available.
Please contact us for more information.
